SIR:

In a Notice of Non-Compliant Amendment dated December 7, 2004, it was stated that the claims presented in the Amendment filed on August 13, 2004 were not each provided with a proper status identifier. Since each of those claims was, in fact, provided with a status identifier, the only discrepancy that Applicants can ascertain is that claim 17 used the status identifier "Previously added", rather than "Previously presented." Claim 17 accordingly has been revised in the replacement pages submitted herewith.
